RECESS

SPEAKER BURBACH PRESIDING

SPEAKER: Record your presence. A quorum present, Mr. Clerk. Please record.

CLERK: Quorum present, Mr. President.

SPEAKER: The chair recognizes Senator Wally Barnett. Senator Barnett, I want to offer an apology to you that I did not watch the calendar closer this morning because you had a request made for an override of the veto on LB 294. I apologize to you for the delay. You may proceed, Senator.

CLERK: Mr. President, there will be inserted in the Journal a communication to the Secretary of State to the effect that we have delivered LB 427 to the Secretary of State.

SENATOR BARNETT: Mr. President, thank you. SPEAKER: You may proceed.

SENATOR BARNETT: I don't think it would be...it is definitely not your responsibility. It is mine to take the chance. If I lose it, it is my fault. I do want to move that the body override the Governor's veto on LB 294 which was a piece of legislation that I thought was very important. It was one of the ones that come up in our juvenile studies and there is going to be some other people that will talk and explain some of the issues on it. I think what you should do is if you have questions on it. We voted on this bill and supported it 44 to 2 and then we also come up with the idea that we had questions in the funding and that was straightened out by the Budget Committee report given to you and you can look in the Green Book and see that.
